_____ Although Kamp KVH diligently walks all pets on a slip leash, on all walks, I am aware that given the sometimes unpredictable nature of dogs, an interaction could take place between animals and unforeseen events could occur while on scheduled walks. If such an event resulted in injury to my dog, to other dogs, or to other people. I alone assume responsibility for such an injury.

_____ I understand that if I leave my pet at Kamp KVH for a period of 7 days beyond the time period for which I contracted services for, my pet will be considered abandoned and necessary steps will be taken to turn the animal over to the proper authorities.
